2018 Vendor Application

The 2018 outdoor Norfolk Farmers Market will be held on 22 Saturdays from May 19-Oct. 13
2 Holiday markets will be held on Saturday November 17 and December 1

Vendors eligible for acceptance at the Norfolk Farmers Market are: Farmers who grow at least 70% of what they offer for sale. What they do not grow on their premises should come from within 50 miles of Norfolk.

Food makers who produce dishes such as baked goods, preserves, soups or sauces that they have made themselves. Ingredients for such products must be of local origin to the fullest possible extent. Artisans who offer for sale non-food products that they have made, manufactured or otherwise produced themselves. Materials for such products need not be produced by these vendors.

The steering committee reserves the right to allow sales of other items that it believes will enhance the market and add value for its customers. The committee and the market manager review products new vendors propose to offer and will continually review vendors' offerings to be sure that market standards are maintained during the season. Nonconforming or substandard products may not be sold at the market.

All accepted vendors of food and potentially dangerous items must supply proof of insurance, with the policy naming the Town of Norfolk as an additional insured. Copies of such policies or letters confirming such policies must be sent immediately upon acceptance by the market, and the vendor may not attend a market unless proof of insurance is on file.

To apply for space, please select the market(s) you would like to attend, send the completed form below and your check, payable to the Town of Norfolk Farmers Market, to Farmers Market, PO Box 552, Norfolk CT 06058.
