2. Rails to Trails meeting **
3. EDC member preferences: WIN, Fiber Optics
4. The Evan Hughes Charitable Trust
5. WIN
6. Fiber Optics
7. Web Site
8. Other business and reports

** The R2T Committee would like to extend an invitation to you and other members of the EDC to attend our upcoming meeting this Thursday (after your EDC meeting). We are at a crossroads right now, having been denied once again for a State Grant. As we understand that our North Brook Trail probably didn't rank as high as other applications submitted and the amount of grant monies requested far exceeded the dollar amounts available, we are looking at other ways and directions to possibly take our cause. We are looking at new ways to boost exposure and significance to the town, surrounding area and the state. Being a subcommittee of the EDC, we are looking for any input the EDC may have. Please extend this invitation to any other committee members you feel would be interested.
