Minutes  
Wednesday, February 13, 2019  
4:00 PM

In Attendance: JoAnn Gundlach, Stan Civco, Pete Mulville, Phylis Bernard & Matt Riiska

Meeting Called to Order: 4:00 PM

Public Comments – No Public Comments

Documentation of Policies – Provided copies of the current regulations for committee to review. Committee will provide feedback at next meeting.

Work on Cemeteries:

South Norfolk – JG requested that we look at the large maple tree for trimming or removal. MR will contact a tree company to look at the tree.

Pond Town – No plans for work

Grantville – No plans for work

Cemetery Fees – Will review fees & regulations at next meeting

PB will contact New England Sub-Surface Imaging to meet with the committee to discuss mapping and providing maps.

Committee discussed purchasing plot markers. PB provided information from markers from Holland Supply. The committee will start planning on marking plots that are not currently marked once the committee has received more information on mapping.

MR reported that the CT DOT has marked the large maple trees in front of the South Norfolk Cemetery for removal.

With no further business the meeting was adjourned at 5:10 PM
