 4. Approval of Minutes - Regular Meeting November 1, 2021 Kwast moved, Kessin seconded. Approved.
 5. Public Comment – None
 6. New Business
 - A. Review of modifications to Mountain Road Bridge replacement. Gary Giroux of Cardinal Engineering appeared to present modifications which:
 - a. Changes to bridge approach by eliminating a portion of the guiderails and adding wing walls with curve. Bridge design and aesthetics with historic features including planters and stone facing in place.
 - b. Allowing for replacement of sewer lines and water mains during construction period which will require stream water by-pass using coffer dams. Army Corps of Engineering 404 permit is in the process of being renewed with notification to IWA when received. CT State 401 permit in force.

No change in the amount of wetlands impact – 1038 sq ft.
- Mr. Giroux explained the bid process starting in early January 2022 with construction expected to start April 2022 and continue for approximately five months.
- Kwast moved, Kessin seconded to approve the modifications with the same conditions described in previous November 10, 2021 decision. Approved.
- B. #21-016 Matt Riiska for Town of Norfolk Town Farm property work in wetlands and upland review areas. Table until next month.
 - C. #21-020 Rob Asselin for Pierre Saadeh, 50 Tower Hill Road trenching for electric line and culvert replacement in wetlands area. After reviewing application Kessin suggested trenching and installing line in disturbed area of driveway rather than in undisturbed wetlands soils where water is present. WEO authorized to approve if application is modified.
 - D. #20-021 Mali, 289 Grantville Road. Brief discussion of application and timing. Commission requests applicant appear next month.
