

IMPORTANT NOTICE on MAILING ADDRESS CORRECTIONS

Come July tax billings, we often find that our Assessor's Office has not been informed of updated mailing addresses. To be assured that all official town mail and tax bills are mailed to your correct address, please contact the Assessor, in writing, to PO Box 552 or by email to assessor@norfolkct.org of any changes including Post Office box numbers.

This is also the perfect time to check your DMV registrations and driver's licenses to verify that DMV has your correct mailing and physical addresses. Please note that although you may have advised our offices of your updated mailing address, DMV records override our corrections each October.

It is therefore imperative that you correct your mailing address with DMV immediately, not only for our purposes but to assure that you receive your registration and/or driver's license renewals. For your convenience, please refer to the "DMV Change of Address" form or contact them directly at ct.gov/dmv.

Please contact the Assessor's Office at 860-542-5287 daily until 12 noon or by email to assessor@norfolkct.org if you have any questions.

Thank you.

Michele Sloane, Assessor
Sarah Brusco, Tax Collector
