

CITY MEADOW COMMITTEE
REGULAR MEETING
May 17, 2021
5:30 p.m. VIA ZOOM
Minutes

Present: Molly Ackerly, John Anderson, Adair Mali, Matt Riiska and Peter Anstey.

Meeting called to order 5:43pm
Adair Mali was appointed acting secretary.

1. Minutes from April meeting- Approved as written (Anderson moved, Mali second)
2. Correspondence and Bills:
Correspondence- see item 3
There were no bills.
3. Robertson Plaza/ City Meadow deck and stairs-
Millenium Builders (the company that built the deck) submitted a bid for the Robertson Plaza work. The total was over \$1,000,000. Cost of building supplies is up overall, but that still seemed high. Bob Gilchrest has spoken to them about trimming costs on parts of the project. Bob got a verbal quote from another company for over \$2,000,000.
Molly will discuss this with the donor who is interested in funding the project.
4. Maintenance and Erosion control-
Discussion about invasive species including Autumn Olive and Norway Maple on the bank below the package store. Committee will get more information and possibly seek bids on removal. Matt will check to see how much money is available to address invasives.
5. Other business- Discussion of donations for benches or other items needed- possibly bike racks, or shade trees. Molly will talk to interested families about options.
May 15th fundraising concert in the meadow was a big success. Matt has asked Sean Finney to give a quote for running permanent power to the deck in the future.
6. Public Comment: There was no public comment

Meeting adjourned 6:33pm.

Next meeting is scheduled Monday, June 19.

Respectfully submitted

Adair Mali, Acting Secretary
