Approval of 2023 Meeting Schedule

MOTION T. LaMere to approve the 2023 meeting schedule as presented. Second J. Ludwig.
Carried unanimously.

Old Business

- EMS Building – B. Brodnitzki asked when the line painting in the parking lot will be done. Bill stressed the importance, for the drivers, of the lines coming out of the building lining up with the lines in the building. T. LaMere will get the lines done in the Spring.
- Botelle School – T. LaMere reported that the oil tank is being installed in two phases. They are putting in the new tank and will disconnect the old tank when the weather improves.
- New Firehouse – J. Ludwig inquired about the status of the new firehouse. M. Riiska would like to get rid of some of the Town's debt prior to starting the firehouse. The Maple Avenue reconstruction bid just came in at \$2,300,000 and the Botelle School roof will be costing \$1,800,000.
- Botelle School – T. Gorski reported that more cameras were installed at the playground. T. LaMere reported that public works installed a chain across the access to the lower driveway as requested.

New Business

- NVFD – J. Ludwig reported that the NVFD has their new 2023 Freightliner tanker truck.
- Botelle School – M. Riiska reported that the new slide will be delivered on 6/9/23
- NVFD - B. Brodnitzki asked about the location for extrication drills. Matt and Troy suggested they use the NVFD parking area or the Transfer Station.

Any Worker's Compensation Injuries

- None reported
