1. Minutes from June 20- Approved as written after brief discussion

2. Correspondence and Bills:

There was no correspondence and there were no bills.

3. Deck and stairs-

Discussion of tables and chairs for the deck. Benches were part of the plans/budget for the deck, but tables and chairs were not. Molly Ackerly reported that she, Matt Riiska, and Bob Gilcrest have discussed it. The town will be acquiring some, but the ones initially recommended are out of stock. Private donations should cover the cost.

Cynthia Rabinowitz (ED of Northwest Conservation District) has done a quick sketch of needed maintenance going forward; John Anderson has started a more detailed plan.

Discussion of maintenance needs, especially control of invasives and keeping the paths clear. General agreement that there needs to be ongoing oversight of any cutting.

5. Other business-

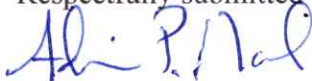

Ribbon cutting scheduled for August 7, 1pm. Invitations will be sent to key participants by email.

6. Public Comment: Libby Borden said that the whole area looks good and ready for the ribbon cutting.
