Libby called the meeting to order at 6:01 pm.

The minutes of the January meeting were unanimously approved.

George reported that the Meadow account has an approximate balance of \$40,000 with no outstanding invoices. No further payments will be required until well into the summer season, giving the committee ample time to start its capital campaign.

Mark, George, and Libby reported on the interviews so far.

George and Libby will review Steve's memo for conciseness and use it as a tool to introduce the current Meadow project to those who have expressed interest in the Meadow in the past.

Libby will pursue Meadow signage and testing the Meadow water.

There being no further business the meeting was adjourned at 6:50.
