

Firehouse Information Session
6 PM, Thursday, April 24
The Botelle School

With a townwide vote coming up, now is the time to learn all about the plans for Norfolk's new firehouse.

Information Session on Thursday, April 24

Mark your calendar to attend the information session on Thursday, April 24 at 6 PM at the Botelle School. Get the details on why the existing 50-year-old firehouse needs to be replaced, what's included in the new firehouse, and how much it will cost.

Members of the Norfolk Volunteer Fire Department, the architect, First Selectman Matt Riiska and representatives from the firehouse building committee will all be on hand to provide information and answer questions.

A vote to approve the firehouse, including the plan for funding it, will take place in conjunction with the annual Town Meeting in May.

Information Booklet

Also, watch your mailbox. An information booklet about the new firehouse is going out to everyone in town.

Updates

To get the latest updates online, visit the town website at www.norfolkct.org and click on "New Fire House Updates."
