Libby called the meeting to order at 6:01 pm.

The December minutes were approved with the addition of Molly Ackerly as Absent.

The Friends of the Meadow Committee has been officially renamed the City Meadow Committee. Libby urged the committee to go to the Norfolk Town website, Norfolkct.org, and view the City Meadow Committee page. There is a section called Resources that can be populated with information about City Meadow and the City Meadow Committee. Currently there are links to Facebook, Instagram and the calendar. The Committee should consider what else to add. George will be revising the short description on its page.

The Selectmen are planning to appoint Martina Gago to the City Meadow Committee at their next meeting.

The committee discussed Beth's two year plan which was circulated. The committee decided to add the plan to its website page under Resources.

Doreen is away so there was no update on suggested plantings for the Plaza.

There is Plaza and boardwalk maintenance that Mark will take care of.

Libby and George reported that they have asked Henry to consider including a budget amount for both the Plaza and City Meadow maintenance costs in the upcoming town budget.

Paul plans to put up the City Meadow signage he has developed.

Doug McDevitt will give a lesson in photography and then lead the participants to City Meadow to take photos on WIN weekend on behalf of the City Meadow committee. He has several photos that he has recently taken which he has graciously allowed us to use. He also suggested that the City Meadow committee sponsor a photo contest in City Meadow later in the spring.

There being no further business, the meeting was adjourned at 6:50.
